

Request for Trout Stream Improvement Financial Support
Attach additional sheets if needed.

1. *What is the location of the project?*

Stream Name _____ County _____ Nearest City or Village _____ Section# _____

(a copy of an aerial photograph indicating the upstream and downstream extent of the project as well as the public fishing easement access points is required for financial consideration by WI Clear Waters TU)

2. *Is the stream project on public land? (yes/no)? or is a perpetual easement secured (yes/no)?*
3. *Is the landowner an Ag Producer and eligible for USDA programs (yes/no)?*
4. *Have water and habitat quality been documented by the DNR (yes/no)? If so, give a summary.*
5. *Is the project stream a Class I, II, or III trout stream (yes/no) and what are the expected goals of the project?*
6. *Briefly, describe the scope of work. (Summarize what is to be done and the estimated project dates)*
7. *Describe the volunteer commitment/partnerships that are in place for this project.*
8. *Describe any other co-existing, adjacent, or nearby projects or activities that could also affect stream habitat or water quality (i.e., upland management, soil erosion control, wetland restoration, stream monitoring, etc. by USDA, USFWS, LCD, private groups, or others, etc.).*
9. *Attach an estimated project budget.*
10. *Indicate the WI Clear Waters TU Chapter funding needed.*
\$250 _____
\$500 _____
\$1000+ _____
11. *List any additional sources of funding that have been applied for or already secured. (Please specify whether the funding has been secured or used for).*
12. *If applications applied for a grant, an EQIP contract, or other federal, state, or local financial assistance, please include a copy of the above summary. These applications often require more detailed explanations, maps, surveys, etc. that will help give our committee more information to make recommendations to our Board of Directors.*
13. *Provide a contact person with phone number and email address.*

Applications for Trout Stream Improvement Financial Support will be accepted from October 1 to Feb. 1. The deadline date for each annual cycle of financial support from WI Clear Waters TU chapter will be Feb. 1.
